

PC-FLIPP

Parent-Child Financial Literacy In Progress Program

What is PC-FLIPP?

- ▶ PC-FLIPP is the acronym for **Parent-Child Financial Literacy In Progress Program**.
- ▶ PC-FLIPP is funded by a USDA-CYFAR grant.*
- ▶ The program helps parents build financial literacy skills as children develop money management skills.
- ▶ PC-FLIPP provides tools and resources that can be used to help parents take charge of their finances.

Who is PC-FLIPP for?

- ▶ PC-FLIPP was developed to support parents with limited resources
- ▶ Unbanked parents can benefit from the tools and resources provided to help transition from unbanked to fully banked.
- ▶ PC-FLIPP provides children ages 5-9 with an early start towards a healthy financial future.

How much does PC-FLIPP cost?

- ▶ The PC-FLIPP program is absolutely free to parents with limited resources, and classes are offered throughout the calendar year.

Family Finance

Many parents struggle financially because they do not know how to improve the financial health of their family. PC-FLIPP is here to provide the information and tools needed to improve your financial well-being.

The program wants to help you build a foundation that will help you feel secure in managing your finances.

PC-FLIPP

Parent-Child Financial Literacy In Progress Program

The **Alabama Cooperative Extension System** is dedicated to supporting families and individuals that have access to limited resources by expanding their knowledge and skills in how to improve and manage their financial health.
