

# GREAT SOUTHEAST **Pollinator Census**

**20  
25**

## Great Southeast Pollinator Census **Participation in Alabama**

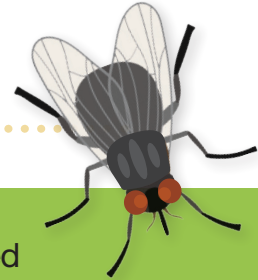

**2,867**

counts were submitted from  
55 of Alabama's 67 counties  
(**82%** participation rate)

**62**

educators used the GSEPC in  
their STEM/STEAM programs.

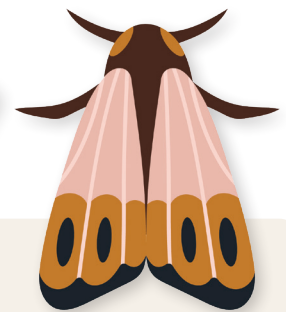

When asked

**“Did participating in  
the census change  
your understanding  
of the benefits  
provided by insects  
that visit your garden?”**

800+ respondents answered:

Yes, moderately so: **422**

Yes, very much: **421**

**62**

Alabamians created a new  
pollinator garden for GSEPC  
support and participation.
