

June 5 to 15

Alabama Extension invites everyone ages 9 to 18 to test their fishing skills through 4-H BIGGEST Catch, a virtual fishing contest! To participate, all you have to do is go fishing in Alabama freshwater anytime between June 5 and June 15. Once you make your **catch**, measure the fish, take a photo with it, and submit an online contest entry form. Show off your **artistic side** to win the fish art award.

Official Contest Rules and Information

- Participants must submit their official contest entries between **June 5 at 8 a.m. CST and June 15 at 8 p.m. CST** using the online submission form at aub.ie/BiggestCatch26.
- All entries must include a photograph of the youth's catch (figure 1). **The photograph must include the youth and their fish, the contest code AL4H26, and the total length (inches) of the fish.** This can be written on a piece of paper and held up in the photograph or written on the participant's hand or forearm. *The entry photograph may not be edited in any way. Do not include your name or any details other than the code and length on the photograph.
- Total length of a fish is measured from the tip of the snout to the end of the caudal (tail) fin using a measuring tape or a measuring board (figure 2 and figure 3).
- Only complete entries will be considered.
- Youth **ages 9 to 13** will compete in the Junior division, and youth **ages 14 to 18** will compete in the Senior division.
- Youth must catch and land their own fish without the help of others.
- Each participant's catch must be submitted to the correct fish category.
- Fish must be caught in Alabama waters.
- Participants must follow all state requirements for fishing license and permits and creel and size limits. Visit www.OutdoorAlabama.com for more information on these requirements.
- Have fun and be safe!

Contest Categories

This year, there are two contest categories, with two age divisions in each category (Junior: 9 to 13; Senior: 14 to 18). First, second, and third place will be awarded in both age divisions.

Biggest Catch—Catch a big fish in one or more fish categories: bass, sunfish (bream), catfish, and crappie. First, second, and third place will be awarded in each fish category.

Biggest Fish Art—Portray a native darter (see list) in a piece of art.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotope, American Sign Language, etc.) should contact one of the Alabama Cooperative Extension System's HR departments which are located on Auburn University's campus at (334) 844-1326 and Alabama A&M University's campus at (256) 372-5710. You may also contact the USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at [How to File a Program Discrimination Complaint](#) and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov.
