Alabama Extension Participant Media Release Form

Alabama Extension may photograph or record participants during programs and events. This form asks whether Alabama Extension may use photographs, video, audio, or other recordings in which you are featured, as described below.

☐ I grant the Alabama Cooperative Extension System (ACES), and those acting on its behalf, permission to use photographs, video, audio, or other recordings featuring me, for educational, informational, news, outreach, promotional, and other ACES-related purposes. This permission includes use in print and electronic media, websites, social media, videos, publications, presentations, and other similar media. I also authorize ACES to use my name and other identifying information in connection with the authorized use of these materials.

I understand that ACES may use these materials without further notice to or approval from me and that I will not receive payment or other compensation for their use. I understand that ACES is not required to use any photograph, recording, or other material in which I am featured.

I release ACES and its affiliates from claims arising from the uses authorized by this release, including claims based on rights of privacy or publicity.

☐ I do not grant the Alabama Cooperative Extension System permission to use photographs, video, audio, or other recordings featuring me.
